

A Win-Win Solution for Every Area of Distribution

**Increase
Sales & GM \$**

For Sales Managers

Your sales teams have access to and will deliver consistent, optimal pricing based on ERP data AND the guidelines you set in advance.

**Save Time
With Less Disruption**

For Inside Sales & Operations Managers

Quick and easy access to your pre-set pricing guidelines eliminates disruptions from inexperienced salespeople having to research or asking for assistance with pricing.

**Integrate
Seamlessly**

For IT & E-Commerce Managers

Industry-approved data transfer methods ensure your information is securely handled and maintained. No need for additional infrastructure.

**Know what Factors
Really Drive Your GM \$**

For Controllers & CFOs

Determine your next strategic pricing move with better precision and more profitable results using our powerful gross margin variance analysis tools.

**Increase GM % by
100 - 300+ Basis points**

For General Managers & Owners
